ABOUT

TEO - Timeless Everyday Objects is a German design brand. Timeless Everyday Objects – as its name implies – stands for high quality products designed with a simple beauty and a passion for detail, suitable for everyday life. TEO offers long lasting products of premium materials like mouth blown glass and hand spun metal. Its product portfolio comprises lighting, furniture and home accessories, the vivid colors and different materials will add unique character to your home.

With TEO, the designer Duo Lena Billmeier and David Baur aim at creating simple yet emotional products, with a strong and distinctive brand image. Working hands-on with mock-ups, prototypes and experimenting with materials are vital parts of their creative process. Lena Billmeier and David Baur combine their down-home German roots with international influences and challenge themselves to create fresh, innovative and most of all beautiful design projects.
