

weld & co

In designing our Solid & Grid collection, we set out to create a style-defining, recurring graphical structure for furniture and home accessories. We were aiming for a pattern that looks light and elegant while offering sturdy durability. And we achieved this with a diagonally cut grid made of steel. After we came up with our first models featuring diagonal slits, we designed several solid versions as well.

# Solid 01 Wall Shelf

weld & co

WRS01

This solid wall shelf is perfect for storage, keeping useful items handy, or displaying treasured mementos.

The flat surface of the Solid 01 Wall Shelf shows off the color to its full advantage. So one or more of these shelves can be arranged to create colorful decorative accents in any part of the home.

## Price (RRP):

# Solid 02 Wall Shelf

weld & co

WRS02

This solid wall shelf is the perfect place for storing the small containers which are often found in kitchens and bathrooms. Its flat surface catches any spills, while the upturned front edge keeps small items from accidentally slipping off. By adding S-hooks, clips, or magnets, its range of possible uses can be expanded even further. And this model also gives each color a chance to shine. So the Solid 02 Wall Shelf is an easy way to add contemporary color accents to your home decor.

**Material:**

Steel sheet with powder coating

**Dimensions:**

50 × 8 × 4 cm

# Solid 03 Wall Shelf

WRS03

weld & co

Measuring 100 cm in length, this wall shelf is ideal for attractively displaying pictures, favorite books, and smaller keepsakes. In combination with home accessories such as vases and lighting, the shelf becomes a high-impact design element that is also highly functional.

The upturned front edge also provides a handy spot for hooks, clips, and magnets for attaching prints and notes.

And in children's bedrooms, the Solid 03 Wall Shelf offers lots of useful storage space and adds a cheerful splash of color.

**Material:**

Steel sheet with powder coating

**Dimensions:**

100 × 8 × 4 cm

# Solid 04 Wall Shelf

WRS04

weld & co

With the Solid 04 Wall Shelf, storage, display, and home decor go hand in hand. The ledge offers space for knickknacks, while the upturned front edge keeps objects like picture frames in place. The front edge can accommodate S-hooks, clips, and magnets, providing a wide range of uses.

In the office, the wall shelf is a handy resting place for mood boards and poster boards, which can be displayed side by side or stacked vertically behind one another. And in a child's bedroom, it offers an ideal spot for displaying their personal collection of favorite pictures, books, or figurines. Alternatively, there is enough space to display one or two A2-size prints or poster boards on the ledge.

**Material:**

Steel sheet with powder coating

**Dimensions:**

148 × 8 × 4 cm

**Purchase includes:**

Wall shelf, mounting hardware

# Solid 05 Wall Shelf

WRS05

weld & co

The handy Solid 05 Wall Shelf is the perfect place to keep small objects and display them to their full advantage. Featuring a moderate depth and raised front edge, the wall shelf is a compact ledge with a multitude of practical uses.

It's not only an ideal place to store books, CDs, and DVDs, but can also hold mugs, glasses, storage jars, and kitchen utensils. In the entryway, the Solid 05 Wall Shelf makes a great spot for keeping keys – and with the addition of S-hooks and hangers, it can be used as a coat rack. In the bathroom, it is also an ideal – and attractive – place to store a variety of necessities. And hung above a desk, it keeps small items organized and close at hand.

## Price (RRP):

# Solid 06 Wall Shelf

WRS06

weld & co

Minimalistic yet functional, the Solid 06 Wall Shelf offers a multitude of possible uses. With a ledge depth of 15 cm and an upturned front edge, it has no problem accommodating large or deep picture frames – which you can display and rearrange on the shelf however you like without having to pound more nails into the wall.

Featuring clean lines and a length of 100 cm, the Solid 06 Wall Shelf is an attractive and useful addition to any living space. Favorite collector's items and artworks can be showcased in the living room, everyday necessities can be organized in the entryway, and whiteboard markers, magnets, and beverages can be kept close at hand in small meeting rooms. And in the bathroom and kitchen, the Solid 06 Wall Shelf offers countless practical storage options.

## Solid & Grid Side Table

weld & co

# Solid & Grid Side Table

weld & co

BTS01/BTG01/ BTS02/BTG02

The Solid & Grid collection includes four graceful side tables – two round and two rectangular, featuring solid or graphically structured ("grid") tabletops. Standing alone next to a couch or a bed, or grouped in a nested arrangement, these side tables blend harmoniously into every part of the home.

The Grid tabletop creates an attractive pattern of light and shadow. The frame is made of round iron bars that underscore the table's characteristic grace, while the u-shaped legs mean it can be used on patios and balconies.

## Material:

Sheet steel and round iron bars with powder coating

Oak – hardly any other type of wood stands for so many positive qualities. Featuring warm golden tones and a distinctive grain, oak is a robust favorite for creating products that last. All of these characteristics can be found in the furniture and home accessories of the weld & co Oak collection. Elements made of powder-coated steel underscore the wood's many charms, making the furniture and home accessories of the Oak collection into sturdy, unique, and timeless products.

# Oak 01 Wall Shelf

weld & co

WRE01

The wall shelf made of solid oak adds a touch of natural warmth to any room of the home.

The shelf comes with bookends that fit into the lengthwise and crosswise grooves cut into its surface. And the grooves can also be used to hold prints, photos, and postcards, eliminating the need for frames or clips.

The Oak 01 Wall Shelf is available in three sizes.

# Oak 01 Bench

SBE01

weld & co

This oak bench is a head-turner in any room. The bench's solid seat forms a distinctive contrast to its elegant legs, while the warm oak tones of the wood stand out against the black, powder-coated metal.

The bench is available in three sizes and can prove its usefulness in many parts of the home – for a classic seating arrangement at the dining table or in front of the fireplace; or, slightly more offbeat, as a shelf in the bedroom or an alternative to the sideboard in the living room.

The seat is made of oak planks; the frame of sturdy, powder-coated metal.

The Oak 01 Bench is available in three sizes.

The weld & co Reclaimed Wood collection aims to preserve old materials by using them to make something new. Naturally aged wood is used to create furniture and home accessories that also feature elegant components made of powder-coated steel. These two elements unite to produce an attractive aesthetic that makes a clear statement. Natural materials weather and age with time, resulting in a completely new look and feel. When combined with robust new materials, they create furniture which is truly timeless.
